Dear Applicant,

Kappa Kappa Kappa is a philanthropic organization promoting charity, culture and education. The Tri-Kappa organization has donated thousands of dollars back into the community. The increased need in our area has made it necessary to adhere to a specific process for receiving grant requests.

Requests are accepted only twice per year. **The next deadline is October 15, 2022.** Please understand any applications for grants received after the deadline will not be considered.

To submit an application, please complete all information as instructed. Applications will be accepted by email at trikappavalpo@gmail.com only. Applicants receiving funds will be notified within eight weeks of the deadline.

Thank you for working within these guidelines. We look forward to hearing from you.

Sincerely,

Laura Stafford and Cindy Boese
